

# Muneeswaran K

## Full Stack Developer

 muneesraja@gmail.com  +91 8778604904  India

### SUMMARY

---

I am a Full Stack Developer with over 3+ years of experience specializing in automation and scalable applications. Proficient in technologies like React.js and Node.js. My skill set is an excellent fit for fast paced startups looking to rapidly develop and deploy impactful solutions. My passion for continuous learning and staying updated with the latest technologies drives my growth in the tech industry. I have been working as a remote developer for quite some time, giving me strong experience in managing workflows, communication, and collaboration in remote environments.
